- Feedback from Parents and
- Alumni Feedback

Agenda:

- Discussion about possible actions on recommendations from Various Feedback Sources.
- Any item with the permission of the Chair.

Members present:

1) Dr. Ashwani Varshney – Dean
2) Dr. Ajay Tripathi-member
3) Dr. Anil Gupta –member
4) Dr. Nidhi Mathur- member
5) Ms. Sanandi Sachdeva—member

Feedback recommendations were analyzed and discussed. The following possible actions were deliberated during the meeting and were sent to the Director for discussion and implementation:

- Alumni suggested that students should be given more opportunities to interact with them. It was suggested by FAC that the institute should start alumni -mentorship program in order to boost interactions.

- Some of the parents suggested that students should be imparted more applied knowledge rather than theory. It was suggested that more no of people from various industry will be invited for sharing their experiences with the students.

- Recruiters suggested that the students should have the complete knowledge of the company which they are applying for. So, it was suggested in the meeting that the institute will equip the students with the same through EEP modules which will be industry specific.

- Students requested for more industrial visits. Some of them asked for more club activities. Hence it was decided by FAC that number of industrial visits to be increased. It was also decided to conduct more club activities.
