## II. Admissions

<b>Analysis of Admissions</b>	
<b>Strengths</b>	<b>Challenges</b>
<ul style="list-style-type: none"><li>• Brand name &amp; legacy of Jaipuria</li><li>• Well defined entrance standards provide clear pathways for admissions</li><li>• Strategic Location of Institute in Delhi/NCR</li><li>• Only ONE program in the Institute</li><li>• 18 years of teaching experience of MBA program</li><li>• Excellent service to Students</li><li>• Applications are processed in a timely manner</li><li>• Knowledgeable admission staff</li></ul>	<ul style="list-style-type: none"><li>• Declining enrollment of students in UPSEE Examination</li><li>• No separate Admission Professionals / Marketing Team for MBA program</li><li>• Confusion with similar name Institutes e.g. Jaipuria Institute of Management, Noida</li><li>• Competition with other PGDM Institutes</li><li>• Very low fee to Admission Consultants in comparison to other MBA/PGDM Institutes</li><li>• Lack of Infrastructure for starting new courses</li><li>• Highest Fee among all MBA Institutes across UP in AKTU, Lucknow</li></ul>

### A. Quality of admissions to improve

- To increase the number and to improve the quality of student can be looked through the strategic positioning and refinements in our MBA programme.
- JIM will aggressively implement media plan/online campaigning that highlights JIM's MBA points of differentiation/USP's i.e. Value-added Certifications in various domains, Communication Classes, Employment Enhancement programme (EEP), Club activities, Innovative Teaching pedagogy, Brand image (legacy) and various Events. Hoardings/Flexes will be used for wider communication. The institute will participate in the Education Fairs in the different regions of the U.P./Bihar to increase the presence of JIM among MBA aspirants.
- Social media like Facebook, Twitter, and YouTube will be used as a major tool to interact with the students for admission. Exhaustive and engaging Online campaigning will be started through these tools for MBA aspirants.
- The Institute will identify and make relationship with the consultants in different regions of U.P/Bihar/West Bengal. Comprehensive relationship Plan will be implemented. Existing batch of students in MBA will be encouraged to counsel the students for the admissions.
- The catchment area should also be increased in other states. Institute should have larger pool of prospective students for admissions. The pool of the students should be from good institutions of Delhi/NCR.
- Perception of the institute is to be enhanced among the parents as well as students.

### III. Placements Development Plan

The Institute will be actively working towards strengthening of placement portfolio for improved placements. For this purpose, we will be adopting a two- fold strategy wherein at one end we will be working on our students to make them industry- ready as per the current industry requirements. At the other end, we will be working on establishing strong industry connect.

#### Placement Strategy

Action Points	Action Plan	Outcome	Measurable	Accountability
Identification of Prospective Employers	Reaching out to the potential employers by establishing contacts with the HR Heads or Senior Officials through continuous follow up on telephone / online engagement and through the Corporate Summit. Initiating Empanelment Procedure with the companies that require the same.	Enriched database to connect for various activities leading to good placements. Enhanced quality of SIP and Placements.	Number and Quality of Placements.	Ms Gunjan and Mr Manish
Continuous Involvement of the Recruiters	Inviting the HR Heads / Senior officials for Guest lecture. Continuous follow up with the Corporate for Summer Internships / student involvement in their events / live projects. Involvement of Industry Experts in Mock Interview.	Enhanced interest of the recruiters while they consider to hire for SIP and Placements. Increased brand credibility.	Number and Quality of Placements.	Ms Gunjan and Mr Manish
Special Efforts for Grade A Recruiters	Other than the regular efforts, some special efforts like wishing the recruiters on major festivals, continuous follow up about them and gifting tradition on Diwali can be undertaken.	Steady entry into the A Grade companies by relationship building.	Number of Placements in A Grade companies.	Ms Gunjan and Mr Manish
Taking feedback on the customized requirement for the organization	Understanding the customized requirement of the company and integrating the courses as per the demand of the company.	Making the student ready according to such requirements will boost the rate of placement in the companies.	Number of placements in the companies contacted for customized requirements.	Ms Gunjan and Mr Manish (Company Contact) Dr Ashwani Varshney (Course Integration)

Contacting Alumni placed in A Grade Companies	Continuous involvement of the alumni placed in Grade A Companies. Follow up with them regarding the requirements in the companies.	Increased Placement in the Grade A companies where JIM Alumni are working	Number and Quality of Placements.	Ms Gunjan, Mr Manish and MsAbhilasha.
Continuous follow up with the companies in which students have undertaken SIP	Continuous monitoring of the performance of the students during their SIP. Continuous follow up with the companies regarding PPO.	Conversion of SIP to PPO	Increased number of PPO	Faculty mentor (Regarding students' performance) Ms Gunjan and Mr Manish (Regarding PPO)
Feedback from the recruiters.	Designing feedback forms in order to obtain feedback of GD and PI rounds in the company.	Attaining feedback from the companies recruiting the students and working on the weak areas of the students through relevant module integration. ## **VI. Faculty Development Plan**

The faculty development plan is to empower and enable faculty to craft a professional development plan and enhance teaching and research skills to accomplish individual career goals.

### **1.1 Objective**

The objective of the faculty development Plan is to encourage the faculty member to think reflectively and then make explicit her/his vision and goals for an effective contribution to the institution. It aims to enhance the academic and intellectual environment in the Institutions by providing faculty members with enough opportunities to pursue research and also to participate in seminars / conferences / workshops. Participation in such programmes would enable faculty members to update their research and pedagogical skills.

### **1.2 Scope**

- The faculty member's self-assessment of his or her strengths, skills, competencies, interests, opportunities, and areas in which the faculty member wishes to develop.
- Professional activities to accomplish short term and long-term professional goals of the faculty.
- Achieving teaching excellence through pedagogical initiatives and technology adoption.
- Individual faculty career planning, through faculty training and workshops in domain specific area.
- Faculty development support in the form of research incentives and reimbursements.

## **2.0 Faculty Development Activities/Initiatives**

### **2.1 Individual career development plan and career planning**

All the faculty members will submit their respective development plan for 3 years consistent with the evaluation policy of the institute to the head of the institution.

### **2.2 Periodic review of instructional skills**

There will be regular periodic evaluation of the pedagogical skills through class monitoring and review by domain experts. The suggestive measures by the reviewer will help in improving the instructional skills and course enrichment.

### **2.3. Participation in Faculty Development Programme**

Regular participation of the faculty in faculty development programmes to foster faculty's knowledge, skills and professional competence.

## 2.4. Domain specific Workshops/ Certifications

Attending workshops on domain area provide more concrete teaching methods as well as enable teachers to become more directly involved in their own learning and professional growth. Due credit will be given to certification courses completed by the faculty.

## 2.5. Organizing and Participation in Conferences

The faculty will take initiative in organizing academic events like workshop, FDP and conference in the institute which will enable them to hone their leadership and organizing skills. The faculty participation and paper presentation in international conference of repute will be encouraged by the institute through research incentive policy.

## 2.6. Management development programme

The faculty should take initiative in developing and organising Management development programme in their respective domain on and off campus. The MDPs help the faculty to gain perspective for integrating functional and general management approaches in strategy formulation and decision making.

## 2.7 Academic Collaboration

Institutional collaborations are beneficial to the faculty in learning new teaching tools, and to the students in increasing the breadth of their knowledge and learning. It can impact and improve the quality, resources and capabilities of both researchers and institutions involved.

## 2.8 MOOCs/ NPTEL Certification

The faculty should complete certification programme from MOOCs, NPTEL, Course era, Edx etc to enhance domain specific knowledge and enrich their subject content. The certification courses facilitate professional development of the faculty leading to career advancement.

## 3.0 Action plan with outcome
