It was a pleasing experience to be part of such a reputed institute where I was able to nurture my dreams and turn them into reality. My tenure at college was one of the most thoughtful periods of my life. I got multiple inputs from the Faculty, Working staff and Floorers in coll. Jaipuria Institute gave a kick start to my career through assisting to a professional environment of Indian job market. The college and the faculty has equipped a full fledged support in whatever way it could and even to all Indians taken by us. It is more than what we could have expected from a college for its student learning.

YES / JIM

"I had been 11 years when I stepped out of Jaipuria Institute of Management, Ghaziabad. The two years spent at JIM not only laid the foundation for my career on my knowledge of administration and management but also helped me flourish more when I myself it is a place of knowledge and skill. Knowledge never grows the air whenever I get a chance to revisit my skills makes them 100% fit. Preparing for case studies, presenting group projects, visit to industrial units, Hackdays Hackz breaks during and semester exams, planning for group outing with a friend from the day of admission till farewell are some of the incredible experiences we had."
