

EMBRACING DISRUPTION: INNOVATING MANAGEMENT EDUCATION FOR FUTURE

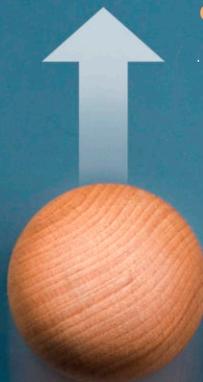

11th Annual FDP
6-7 July 2023
Colombo, Sri Lanka

PREVIEW

Driven by technological advancements, changing consumer preferences, evolving market dynamics, and emerging global trends, disruption has become increasingly prevalent and is transforming the traditional paradigms of various industries and hence management education.

The Annual FDP will provide faculty members a platform to explore disruptive ideas, leverage emerging technologies, and adopt innovative teaching methodologies that align with the evolving needs of the industry. Through expert insights, interaction sessions, and collaborative exercises, participants will gain valuable insights and practical strategies to enhance the quality and relevance of management education.

As an educational institution committed to excellence in management education, it is imperative for Jaipuria Institute of Management to proactively embrace disruptions and leverage them to enhance the learning for both faculty and students. By adopting innovative approaches, faculty members can not only remain relevant but also play a pivotal role in shaping the next generation of business leaders who are adaptable, forward-thinking, and capable of driving organizational success in an increasingly disruptive world.
