AGENDA 1: Discussion on Minutes of the previous quarter meeting

Dr Ashwani Varshney commenced the meeting after welcoming the IIC external members present. Discussion of minutes of the Annual meeting was presented by Dr Devi. She discussed the action points and the progress so far. Dr Devi shared the information regarding the establishment of an entrepreneurial club for students. She informed that Mr Satyam, alumni, JIM

JAIPURIA INSTITUTE OF MANAGEMENT

has registered for the YUKTI Innovation challenges. The Problem-Based Learning activities such as Design thinking workshops, poster presentations, Go-Cube test, case study workshops which were conducted by IIC JIM were also shared with the members.

AGENDA 2: Progress report on IIC activities for the year 2023-24 (I quarters) conducted and planned

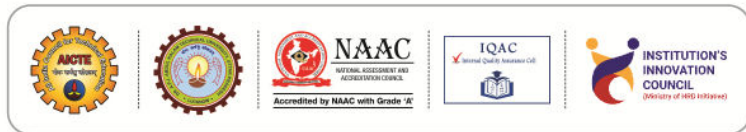

Progress report on IIC activities was presented by Dr Varshney. He talked about the activities conducted in the first quarter so far. He also shared the plans of activities planned for the upcoming IIC quarter. Dr Varshney highlighted that the students registered 107 ideas on the YUKTI portal. After his presentation, he requested the external members to share their feedback and suggestion regarding the progress and the activities. Mr Ishaank emphasised on the need of 'hands-on' or implementation of the rather than just registering them on the portal. He suggested that students need to work on their ideas extensively so as to get more benefit. Mr Saurabh suggested the need for advanced activities in terms of conducting exhibitions, start-up fair. Mr Saurabh recommended that since JIM is a premier B-School, they should make effort for acceleration program by inviting early start-ups to exhibit their ideas. Dr. Varshney appreciated the suggestions from the external members.

AGENDA 3: Brainstorm and discuss potential events, workshops, hackathons, or innovation challenges for the upcoming year

Mr Saurabh reiterated that being a management institute since JIM has networking with financiers, Business mentors, it should plan for parallel programs in collaboration with incubation centres. It should also try to create cohort while partnering with incubation centres and conduct managerial mentorship programs. marketing mentorship program.

AGENDA 4: Identify potential collaborations with external partners, industry experts, or alumni

Dr Varshney shared that MoU by IIC JIM has been initiated with TBI, KIET, IIT Kanpur incubation centre. Ms Sheetal lauded the efforts made by JIM towards creating an entrepreneurial ecosystem. She emphasized on the point that there is a need to create an entrepreneurial mindset among students while encouraging them to take up practical exposure through internships in weekends with start-ups. She said students would get high benefits in terms of knowledge through these internships.

AGENDA 5: Discussion on 3 Projects identified for Patent application submission

Dr Varshney also shared the information regarding the three recent patent application, They were Md Bagnio, Smart Street Light, Samhara Defence by II year MBA students. Mr Saurabh suggested that students should attend PITCH fest, and showcase their ideas so as to avail funding for promoting their ideas. He discussed the source of funding for the ideas. Mr Shivam enquired about the authenticity of the ideas in terms of patent. He suggested that students should present their ideas in different platforms so as to get effective feedback and guidance on their ideas.

Action points:

- Dr Devi will plan the exposure visit for the quarter.
- CS Puja and Dr Devi will oversee the systematic uploading of activities held in the quarter I.
- Dr. Ashwani Varshney will ensure the processing of MoU with TBI KIET and IIT Kanpur.
